MINOR ILLUSION

Whisper

Type: Illusion Rite

Performing: Action

Range: 30 feet

Duration: 10 rounds

A patron will make a sound or an image of an object within range that lasts for the duration. See the descriptions below for the effects of each. The illusion ends if you perform this rite again.

If a creature takes a Study action to examine the sound or image, the creature can determine that it is an illusion with a successful Intelligence (Investigation) check against your rites save DC. If a creature discerns the illusion for what it is, the illusion becomes faint to the creature.

Sound. If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a roar, a beating of a heart, or any other sound you choose. The sound continues unabated throughout the duration, or you can make discrete sounds at different times before the spell ends.

Image. If you create an image of an object—such as a chair, muddy footprints, or a small chest—it must be no larger than a 5-foot Cube. The image can't create sound, light, smell, or any other sensory effect. Physical interaction with the image reveals it to be an illusion, since things can pass through it.

THIRD HAND

Whisper

Type: Summoning Rite

Performing: Action

Range: 30 feet

Duration: Concentration, 10 rounds

A spectral, floating hand not from this world appears at a point you choose within range. The hand lasts for the duration. The hand vanishes if it is ever more than 30 feet away from you or if you perform this rite again. When you perform the rite, you can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial.

As a Rite action on your later turns, you can control the hand thus again. As part of that action, you can move the hand up to 30 feet.

The hand can't attack, or carry more than 10 pounds.
